WORK EXPERIENCE

**Aug 2019
to
Present**

Assistant Professor

Institute

Government Engineering College Bartonhill

**Subjects
Handled**

- Microprocessors and Microcontrollers
- Computer Organisation
- Programming in C
- Signals and Systems
- Network Theory
- Life Skills

**Dec 2017
to
Jul 2019**

Deputy Field Officer (Tele)

Organisation

Cabinet Secretariat, Governement of India

**Sep 2013
to
Dec 2013**

Assistant Professor (on contract)

Institute

LBS Institute of Technology for Women, Thiruvananthapuram

**Subjects
Handled**

- Applied Electromagnetic Theory
- Basic Electronic Engineering

**Jul 2012
to
Dec 2012**

Lecturer (on contract)

Institute

National Institute of Technology Karnataka

**Subjects
Handled**

- Information and Coding Theory
- Microprocessors

EDUCATION

2010 to 2012 | **M. Tech in “Systems Analysis and Computer Applications”**

Institute | **National Institute of Technology Karnataka**

Thesis | Non – Texture Inpainting: A review

2005 to 2009 | **B. Tech in “Electronics and Communication Engineering”**

Institute | **Government Engineering College Palakad**

Project | Solid State Voltage Regulator

TRAININGS ATTENDED

14-09-2021

to

19-09-2021

FDP on “Introduction to ROS (Robotics Operating System)”

Organised by

Government Engineering College, Wayanad

22-03-2021

to

27-03-2021

FDP on “Signal Processing with Python”

Organised by

College of Engineering, Trivandrum

24-02-2021

to

26-02-2021

FDP on “Advanced Nanomaterials, Nanotechnology & Applications”

Organised by

Government Engineering College Bartonhill

27-07-2020

to

04-08-2020

Virtual Workshop on “Machine Learning, Deep Learning and Modelling HEV”

Organised by

Additional Skill Acquisition Programme (ASAP)

<p>06-03-2020 Organised by</p>	<p>Seminar on “AICTE Quality Initiatives” AICTE</p>
<p>28-02-2020 Organised by</p>	<p>Intensive Training Programme on “Transgender Sensitization Programme” IMG, Thiruvananthapuram</p>
<p>17-02-2020 to 21-02-2020 Organised by</p>	<p>MatLab Train the Trainers programme Additional Skill Acquisition Programme (ASAP)</p>
<p>15-01-2020 to 18-01-2020 Organised by</p>	<p>FDP on “Theory and Practice of Machine Learning” Government Engineering College Bartonhill</p>
<p>07-12-2019 to 09-12-2019 Organised by</p>	<p>FDP on “Teaching Effectiveness” Teaching & Learning Center, IIT Madras</p>
